The Teesside Charity bridges the gap between the communities of Teesside. We achieve amazing things by bringing together those that can help people in need to make Teesside a better place in which to live, work and do business.

The membership is perfect for successful smaller businesses who can't commit to the sums involved with being a patron, but who are keen to support our local community.

Beverly Goodall
Managing Director
AbacusBean

"The Teesside Charity is a fantastic organisation, always looking to help those who are disadvantaged, vulnerable and in need in our local community. AbacusBean were delighted to sign up to the Infant Hercules Charity Club as this allows our business to join in and be part of this compassionate community at a price level that is inclusive for smaller businesses."

Sharon Starkey
Managing Director
Resolution

"The whole team at Resolution live and work in the Tees Valley and we are incredibly proud to be trading from here. It is important to us to support the region where we can, and The Infant Hercules Charity Club allows us to contribute to multiple good causes whilst being part of a thriving network of local businesses."
