The Teesside Charity

Become a Patron

The Teesside Charity isn't just a charity – we are a movement, a powerful force for good, raising funds purely for those on Teesside who most need our help. Patron donations are reinvested into the community, helping those in need. But being a patron isn't just about the donation – our patrons get involved with the funding application decisions, visit successful beneficiaries, and award our Teesside Heroes and Golden Giveaway winners.

Phil Lyons
Business support director
InBond

"Seeing contributions going directly to local organisations and charities is a key reason why InBond continue to be a patron. The ability to see first-hand the difference the charity's contributions make to these organisations makes you want to do more to help."

"It really is great to see the number of local businesses that all pull together to improve the lives of as many people as possible."

John Hartwell
Head of Engineering

"As a proud patron of The Teesside Charity, I am constantly inspired by the incredible work being done to uplift and support our community. It's a privilege to contribute to such a meaningful cause, knowing that together, we can make a real difference in the lives of those who need it most."

"Working with the charity is a great way to drive employee engagement, and it's been wonderful to see our people coming together for a cause that really matters to them. We'd recommend any business to become a patron of The Teesside Charity."
